Bobby joined The Buying Solution in December 2007 to head up the Southern Region specialising in the M3 and M4 corridors. Prior to joining, he worked for another leading search company covering the same area. He has strong contacts throughout the region, living on the Berkshire Downs, having grown up in Wiltshire and with family in Hampshire.

The Buying Solution's Southern Region will always be one of the most popular in the country owing to the area's natural beauty, the high quality of houses, its efficient transport networks and excellent schools. Bobby's first rate market knowledge and property buying track record in both the private and public markets, combined with his contacts with agents, professionals and residents throughout the region, make him fantastically well positioned to advise on all aspects of property acquisition. His aim is to explore the entire market and give his clients the best opportunity to buy the perfect house.
