The Buying Solution team complete gruelling 47 mile 'Donnington Way' run and raise thousands for charity

On Wednesday, 4th August, The Buying Solution's Central team swapped their suits for sports attire and ran a lengthy 47 mile stretch along the 'Donnington Way', passing the Donnington Brewery's 15 pubs in the North Cotswolds, to raise money for Breakthrough Breast Cancer and Midlands Air Ambulance.

The team started from Great Barrington at 4.30am on 4th August, and completed the run in an impressive 15 hours, finishing at The Black Horse, Naunton, that evening. They were grateful to friends and supporters who coaxed them along and helped them to complete the gruelling challenge.

Luke Morgan comments: "The Donnington Way is usually attempted by walkers over the course of a few days, but we thought it would be a good idea to try and run our way around the route to raise money for two very deserving charities. I have to say, it was painful and extremely tricky at times, but we had great encouragement from the support team, Julia Poole-Warren and Ran Morgan, as well as friends and family along the way. Despite his broken arm and inability to do the entire run with us, Ran's effective use of AC/DC music helped us to finish the tough final hour! We're delighted to have raised nearly £3,000 and want to thank everyone for their support."

Ed Clarkson adds: "Although it was challenging, I actually quite enjoyed it - to see so many parts of the Cotswolds in a day, on foot, was quite an experience. Some of the publicans were fantastic too, producing soup and beer for us – The Mount Inn at Stanton deserves a special mention – landlord, Karl Baston, was extremely hospitable. Above all, it was a great team effort, so we're delighted, despite the aches and pains!"
