"YOUR TIRELESS OPTIMISM AND ACTIVE NATURE HAS BEEN PHENOMENAL THROUGHOUT THIS MAGNUM OPUS. WE TRULY APPRECIATE YOUR PATIENCE, GUIDANCE AND PROFESSIONALISM."

London

Philip has worked in the prime property market for over 25 years where he started his career in a boutique agency in Chelsea in 1988. Prior to joining TBS in January 2015, Philip worked for Knight Frank since 2000 at the Notting Hill office, having previously worked for another international agent in Knightsbridge and Kensington.

Born in London, living in Chelsea with his family and two children and having worked in various locations in London has meant that Philip's knowledge of the area is second to none. With his children being educated in central London, Philip is well placed to offer his clients a real local insight into all areas of life, be it schools, lifestyle options, commutes and property investments. His professionalism in the market has earned him an enviable book of industry and personal contacts which results in a thorough knowledge of off-market opportunities which would otherwise be unavailable to his clients.

Working alongside the rest of the TBS London team, Philip is able to deliver a highly focused, professional and discreet service, with an understanding of how estate agents operate, providing his clients the best opportunities to purchase in such a complex and competitive market.
