“WE WOULD NOT HAVE BEEN ABLE TO MANAGE WITHOUT HER TENACITY AND CALM DEMEANOUR, A THOROUGHLY PROFESSIONAL INDIVIDUAL.”

Cotswolds, Oxford,
Cheltenham and Bath

Charlotte grew up in Lechlade, Gloucestershire, and has been linked with Oxfordshire and the Cotswolds all her life, including being schooled in Oxford. As a member of our strong Cotswold team, she acts for clients looking for cottages and houses within the £750,000 to £2,000,000 price range. Charlotte also covers the city and town markets of Oxford, Cheltenham and Bath, working on behalf of buyers who are usually motivated by the area's excellent choice of education.

Prior to joining The Buying Solution, Charlotte spent 10 years working in London as an ARLA-qualified letting agent where she ran her own office. Her experience in this environment means that Charlotte has excellent client management skills, understands investment requirements and has plenty of experience in dealing with clients based overseas and expats returning to the UK, as well as those moving within the local area. She is a strong communicator who is highly motivated to successfully fulfil a client's brief. As and when the need arises, Charlotte acts as our rental specialist who can lend her expertise to clients with rental searches – this gives us an added value over our competition who do not have this expertise.

Charlotte lives in Charlbury, Oxfordshire, with her husband. Having read music and psychology at the University of Durham, she's a keen musician and enjoys playing a number of instruments, as well as singing in a choir.
